Flash Screen

Registration Page

The image shows a mobile application registration page for COVID-19. The background is a dark purple with a subtle pattern of virus particles. At the top, there is a status bar with signal strength, Wi-Fi, and battery icons, and the time 1:40. Below the status bar, the text "COVID-19" is displayed in a large, bold font, with a red virus icon integrated into the letter 'O'. To the left of the text is a yellow and green leaf-like graphic. Below the main text is the hashtag "#राजस्थान_सतर्क_है" in white. The registration form consists of four input fields: "Full Name" with a person icon, "Mobile Number" with a mobile phone icon, "Address", and "Pincode". A yellow "Send OTP" button is positioned below the input fields. At the bottom of the form, there is a link that says "Already have an account? Sign In". The bottom of the screen shows the standard Android navigation bar with back, home, and recent apps icons.
